No Active Series 7?

No Active Insurance Licenses?

No Problem!

## Protective Planning Made Easier

One Insurance Solution (OIS) is here to help RIAs continue to provide Fee-Based, Variable, Structured and Indexed Annuities for their clients. Our team carries the licenses necessary to write business in all 50 states, enabling us to support you and your clients from anywhere in the country. While OIS serves as your agent of record, you remain compliant and in complete control of engagement levels with your clients.

We work with 40+ carrier partners with hundreds of products to choose from. Whether you're looking for commissionable Annuities, Life Insurance, ABLTC or LTC products, we'll help you find the right solution.
